

CURRICULUM VITAE

Melissa Annette Redford

November 2023

Department of Linguistics
University of Oregon
Eugene, OR 97403-1290
tel. (541) 346-3818, fax (541) 346-5961
redford@uoregon.edu

DEGREES

Ph.D. in Psychology, University of Texas at Austin, 1999 (December).

Thesis: *An Articulatory Basis for the Syllable*.

M.A. in Linguistics, University of Texas at Austin, 1995.

B.A. in Anthropology, University of California in Berkeley, 1992.

POSITIONS

Department Head, Linguistics, University of Oregon, 2018–present.

Professor, Linguistics, University of Oregon, 2016–present.

Associate Professor, Linguistics, University of Oregon, 2009–16.

Assistant Professor, Linguistics, University of Oregon, 2002–09.

NIH-NRSA Post-doctoral Fellow, Computer Science, University of Texas, 2000–02.

Mother, Permanent Unpaid Position, 2000 (x1)–present; 2002 (x1)–present.

GRANTS, FELLOWSHIPS & AWARDS

External

NSF Research Project Award (BCS-2315232), 2023–26.

Title: *Phrasing, inhalation, and language structure*

Role: Principal Investigator

Total: \$249,957

NSF Research Experiences for Undergraduates Site Award (SMA-2050429), 2021–24.

Title: *Increasing Native American perspectives in field and experimental linguistics*

Role: Senior Personnel/Research Mentor

Total: \$342,051

NIH/NICHD Research Project Grant (R01 HD087452), 2017–22 (w/ nce)

Title: *Speech rhythm acquisition*

Role: Principal Investigator

Total: \$1,489,581

European Institutes for Advanced Study (EURIAS) Fellowship, 2016–17
Fondation IMéRA, Aix-Marseille Université (France)

Affiliations: Laboratoire Parole et Langage; Institute of Language,
Communication and the Brain (ILCB)

Fulbright Award to the United Kingdom – alternate (declined), 2016–17
CIES, Fulbright Scholar Program

Proposed Affiliation: University of York

NIH/NICHHD Research Project Grant (R01 HD061458), 2009–15 (w/ nce)

Title: *Acquisition of temporal patterns in child speech and language*

Role: Principal Investigator

Total: \$1,392,746

NIH/NIDCD National Research Service Award (F32 DC00459), 2000–02

Title: *The source of cross-language variation in syllable systems*

Sponsor: Risto Miikkulainen, Department of Computer Science, University of Texas

National Science Foundation (NSF) Graduate Research Fellowship, 1995–98

Internal

Bridge Funding Award (= \$23,400)

Office of the Vice President for Research & Innovation, University of Oregon, 2023

Fund for Faculty Excellence Award (> \$25,000/ea)

Office of the Provost, University of Oregon, 2012, 2020

Summer Research Award (~ \$7,000)

College of Arts & Sciences, University of Oregon, 2003

Professional Development Awards (~ \$1,500/ea)

College of Arts & Sciences, University of Oregon, 2003, 2004, 2005, 2006, 2007

Hutchinson Fellowship (~ \$15,000)

University of Texas at Austin, 1 award per college, 1998–99

Burton Fellowship (~ \$5,000/ea)

University of Texas at Austin, 1996, 1997

Professional Development Awards (~ \$500/ea)

University of Texas at Austin, 1995, 1996, 1998, 1999

PUBLICATIONS

Book (edited)

Redford, M.A. (2015). *The handbook of speech production*. Wiley-Blackwell.

PRESENTATIONS

Invited talks

- Redford, M.A. (July 2024). Keynote talk: Title TBD. *Speech Prosody 2024*, Leiden, The Netherlands.
- Redford, M.A. (March 2023). Psycholinguistic representation and explanation of sound change through developmental time. *Department of Linguistics, University of Alberta*. Edmonton, AB Canada via Zoom.
- Redford, M.A. (December 2022). Speech rhythm development during the early school-aged years. *Program in Speech-Language-Hearing Sciences, CUNY Graduate Center, New York City, NY*.
- Redford, M.A. (December 2022). Speech rhythm development during the early school-aged years. *Frontiers in Language Development and Speech Disorder*, Nanjing, China via Zoom.
- Redford, M.A. (February 2022). Outcome- versus process-based perspectives on typical and disordered motor speech development. *21st Biennial Conference on Motor Speech*, Charleston, SC.

- Redford, M.A. (December 2021). Rethinking the meaning of “anticipation” in long-distance coarticulation. *Institut für Phonetik und Sprachverarbeitung - Ludwig Maximilian University of Munich*, Munich, Germany via Zoom.
- Redford, M.A. (May 2021). Implications of a developmental perspective on speech production. *Neural Bases of Speech Production 2021: A Virtual Symposium on Models of Speech Production*. University of California, San Francisco, CA via Zoom.
- Redford, M.A. (September 2019). Motoric and linguistic influences on the temporal patterns of children’s speech. *Disfluency in Spontaneous Speech (DISS2019) Workshop*, Budapest, Hungary.
- Redford, M.A. (April 2018). Measuring production with perception. *Diehl-a-Palooza: A Celebration of the Career of Randy Diehl*, University of Texas, Austin, TX.
- Redford, M.A. (January 2017). Dissociations in the development of articulatory timing: Implications for representation and control in speech production. *Laboratoire de Phonétique et Phonologie, UMR 7018 CNRS/Sorbonne-Nouvelle*, Paris, France.
- Redford, M.A. (October 2016). Speech planning insights from child language. *Laboratoire Parole et Langage, UMR 7309 CNRS/AMU*, Aix-en-Provence, France.
- Redford, M.A. (July 2016). Towards a developmentally-sensitive model of speech-language production. *Exploring Speech Planning and Production in Children*, a satellite event of the 15th Conference on Laboratory Phonology, Ithaca, NY.
- Redford, M.A. (July 2016). Towards a developmentally-sensitive model of speech-language production. *Exploring Speech Planning and Production in Children*, a satellite event of the 15th Conference on Laboratory Phonology, Ithaca, NY.
- Redford, M.A. (March 2016). Prosodic representations from a developmental perspective. *School of Foreign Studies, Nanjing University of Science and Technology*, Nanjing, China.
- Redford, M.A. (February 2015). The acquisition of speech rhythm and what it suggests about speech-language production. *Department of Speech and Hearing Sciences, University of Washington*, Seattle, WA.
- Redford, M.A. (April 2014). Rhythm from reduction: The emergence of prosodic words in children’s speech. *Workshop on Later Stages in Speech and Communication Development*, London, United Kingdom.
- Redford, M.A. (April 2013). Marker of difference: Atypical speech patterns in children with autism. *School of Health Professions, University of Missouri*, Columbia, Missouri.
- Redford, M.A., Sirsa, H.*, & Shport, I.A.* (November 2011). The acquisition of English rhythm as a function of changes in phrase-level prosody. *162nd Meeting of the Acoustical Society of America*, San Diego, CA.
- Redford, M.A., & Cornell-Fabiano, J. (May 2011). The utility of content-free acoustic analyses for assessing prosodic disorder in children. *161st Meeting of the Acoustical Society of America*, Seattle, WA.

Redford, M.A. (July 2009). Syllables in adult speech and language. *Center for Spoken Language Understanding, Oregon Health Sciences University, Portland, OR.*

Redford, M.A. (April 2008). Meaning and mechanics in speech and language acquisition. *First Annual Complex Systems & Language Workshop, Tucson, AZ.*

Redford, M.A. (June 2007). How boundary phenomena illustrate meaning and mechanics in speech production. *Hangyang University and The University of Oregon Linguistics Faculty Symposium, Seoul, Korea.*

Redford, M.A. (August 2003). Phonetic and phonological consequences of an asymmetric jaw cycle. *Ontogeny and Phylogeny of Syllable Organization*, a satellite conference to the 15th *International Congress of Phonetic Sciences, Barcelona, Spain.*

Redford, M.A. (September 2000). Emergence of variation between syllable systems. *6th International Conference on the Simulation of Adaptive Behavior, Paris, France.*

Other presentations – excluding those in proceedings

* = student or post-graduate/doctoral advisee

Potratz, J. & Redford, M.A. (2023, November). The impact of accentedness and linguistic ability on Speech-Language Pathologist's intelligibility judgments. *Annual Convention of the American Speech-Language-Hearing Association, Boston, MA.* [Judged by the Convention Program Committee to be exceptional across both submission categories of profession education and research: recognized as a “meritorious poster submission.”]

Redford, M.A. & Diantoro, C.A.* (2023, May). Effect of speaking style and word length on V-to-V coarticulation in child and adult speech. *184th Meeting of the Acoustical Society of America, Chicago, IL.*

Redford, M.A. & Diantoro, C.A.* (2022, August). Adjusting for feedback: Context-dependent hyperarticulation. *Speech Motor Control, Groningen, NL* – withdrawn due to DH summer workload.

Redford, M.A., Davis, M.*, Diantoro, C.A.*, & Kallay, J.* (2022, May). Anticipatory vowel coarticulation and a model of developmental change. *182nd Meeting of the Acoustical Society of America, Denver, CO.*

Diantoro, C.*, Kallay, J.E.*, & Redford, M.A. (2021, November). Investigating the effect of second language learning on the acquisition of a third language rhythm pattern. *181st Meeting of the Acoustical Society of America, Seattle, WA.*

Redford, M.A., Diantoro, C.*, & Davis, M. (2021, November). Effect of cumulative distance in motor space on segment-sized slips in 3-word phrases. *181st Meeting of the Acoustical Society of America, Seattle, WA.*

Potratz, J.*, Gildersleeve-Neumann, C.E., & Redford, M.A. (2021, June). Measuring syntactic complexity and lexical diversity in school-age children's short language samples. *41st Symposium on Research in Child Language Disorders, virtual event* (continuing COVID-19 concerns).

- Kallay, J.*, & Redford, M.A. (December 2020). The role of narrative coherence on speech motor planning. *12th International Seminar on Speech Production (ISSP 2020)*, virtual event (originally planned to meet in Providence, RI).
- Potratz, J.*, Gildersleeve-Neumann, C.E., & Redford, M.A. (2020, November). Proposal Number 12154: Measuring linguistic complexity in school-age children's language samples. Proposal accepted at the *Annual Convention of the American Speech-Language-Hearing Association*, San Diego, CA (Convention canceled).
- Howson, P.*, & Redford, M.A. (July 2020). Context effects on schwa production in “gotta” distinguish “got to” from “got a.” *17th Conference on Laboratory Phonology*, virtual event (originally planned to meet in Vancouver, BC, Canada).
- Howson, P.*, & Redford, M.A. (December 2019). The late acquisition of coarticulatory patterns associated with English liquid articulation. *178th Meeting of the Acoustical Society of America*, San Diego, CA.
- Redford, M.A., Kallay, J.*, & Potratz, J.* (December 2019). Temporal extent of anticipatory lip rounding in child and adult speech. *178th Meeting of the Acoustical Society of America*, San Diego, CA.
- Adkins, J.*, Gildersleeve-Neumann, C.E., & Redford, M.A. (November 2019). Speech rhythm acquisition in school-aged children with and without speech disorders. *Annual Convention of the American Speech-Language-Hearing Association*, Orlando, FL.
- Mitchell, Q.*, Potratz, J.*, & Redford, M.A. (November 2019). Delayed articulation skills affect children's performance on a lexical stress task. *Annual Convention of the American Speech-Language-Hearing Association*, Orlando, FL.
- Potratz, J.*, & Redford, M.A. (November 2019). Articulatory timing influences on intelligibility in typically developing children's speech. *Annual Convention of the American Speech-Language-Hearing Association*, Orlando, FL.
- Kallay, J.*, Redford, M.A., & Mayr, U. (November 2018). Characterizing the coordination of speech production and breathing. *176th Meeting of the Acoustical Society of America*, Victoria, BC, Canada.
- Redford, M.A., Kallay, J.*, & Potratz, J.* (November 2018). Productive pitfalls in the phonetic pursuit of psycholinguistic questions. *176th Meeting of the Acoustical Society of America*, Victoria, BC, Canada.
- Potratz, J.* & Redford, M.A. (November 2018). An interactive paradigm to study lexical stress influences on lexical selection in child language. *Annual Convention of the American Speech-Language-Hearing Association*. Boston, MA.
- Redford, M.A. & Kallay, J.* (December 2017). Effect of speaker's age on perceivers' ability to predict rounding from AV speech. *174th Meeting of the Acoustical Society of America*, New Orleans, LA.

- Redford, M.A. & Kallay, J.* (October 2017) Towards the prosodic word: V-to-V coarticulation in 5-year-olds' productions of "the." *11th International Seminar on Speech Production*, Tianjin, China.
- Redford, M.A. & Kallay, J.* (July 2017) Does repetition alter acoustic indices of motor planning and control? *7th International Conference on Speech Motor Control*, Groningen, The Netherlands.
- Redford, M.A. (April 2017). Orthogonal development of schwa coarticulation and reduction in DET+N sequences? *Workshop on Speech Perception and Production Across the Lifespan*, London, UK.
- Redford, M.A., & Pacchiarotti, S.* (May 2017). Temporal information marks person in a Northern Lazio Italian variety. *Workshop on Abstraction, Diversity and Speech Dynamics*, Herrsching, Germany.
- Redford, M.A., Bogdanov, S., & Vatikiotis-Bateson. (July 2016). Long-distance anticipatory coarticulation: a psycholinguistic perspective and method. *9th International Workshop on Language Production (IWLP 2016)*, San Diego, CA.
- Redford, M.A., Bogdanov, S., & Vatikiotis-Bateson. (May 2016). Using gated audiovisual speech perception to identify the temporal onset of coarticulation in production. *171st Meeting of the Acoustical Society of America*, Salt Lake City, Utah.
- Foroughifar, Z.*, Redford, M.A., & Dilley, L. (January 2015). Developmental changes in the alignment of syntactic and prosodic boundaries. *89th Annual Meeting of the Linguistics Society of America*, Portland, OR.
- Weiland, L.*, Dilley, L., Redford, M.A., & Chang, S-E. (November 2014). Prosodic characteristics of fluent speech by children who do and do not stutter. *Annual Convention of the American Speech-Language-Hearing Association*. Orlando, FL.
- Dilley, L., Gamache, J.*, & Redford, M.A. (November 2014). Effects of acoustic manipulations on judgments of prosodic & segmental aspects of children's speech. *Annual Convention of the American Speech-Language-Hearing Association*. Orlando, FL.
- Foroughifar, Z.*, Redford, M.A., & Dilley, L. (November 2014). Intra-clausal prosodic boundary placement as a window into children's speech planning. *39th Boston University Conference on Language Development*, Boston, MA.

TEACHING

Courses Taught (2002–present)

LING 101: Introduction to Language
 LING 162: Nature vs. Nurture in Language
 LING 199: Evolution of Language
 LING 202: Language Learning & Change
 LING 294: Child Language
 LING 407: Interdisciplinary Cognitive Science Capstone
 LING 407/507: Special topics – Cognitive Constraints on Language Production; Intonational Phonology; Pragmatics and Prosody in Autism; Prosody in Production; Psycholinguistics; Rhythm in Speech & Language; Speech & Language Errors; Spoken Language Production; Whole Word Phonetics & Phonology; Communication Disorders & Linguistic Theory; Emergent Phonology.

LING 411/511: Introduction to Phonetics
LING 416/516: Language & Cognition
LING 450/550: Introduction to Phonology
LING 490/590: Introduction to Sociolinguistics
LING 607: Special topics – Speech Production and Perception.
LING 614: Theory of (Laboratory) Phonology
LING 621: Empirical Methods in Linguistics

Thesis Advising

Ph.D. theses

Chair, Principal Advisor

2022. Jill Potratz, *Influences on expert intelligibility judgments of school-aged children's speech*. Linguistics Department, College of Arts and Sciences, University of Oregon.
2020. Jeff Kallay, *Modeling pause duration and frequency in spoken language*. Linguistics Department, College of Arts and Sciences, University of Oregon.
2014. Hema Sirsa, *First Language and Sociolinguistic Influences on the Sound Patterns of Indian English*. Linguistics Department, College of Arts and Sciences, University of Oregon.
2014. Ying Chen, *Prosodic Realization of Focus in Second Language Speech: Effects of Language Experience*. Linguistics Department, College of Arts and Sciences, University of Oregon.
2013. Wook Kyung Choe, *The Role of Supralexical Prosodic Units in Speech Production: Evidence from the Distribution of Speech Errors*. Linguistics Department, College of Arts and Sciences, University of Oregon.

Committee Member

- In progress. Diana DeWald Daschel, *Assessing the impact of attention and individual differences on preschoolers' causal learning following pedagogy*, Psychology Department, College of Arts and Sciences, University of Oregon. (Role: Institutional Representative).
- In progress. Netanel Weinstein, *The cognitive basis of adverse reactions to non-standard speech*. Psychology Department, College of Arts and Sciences, University of Oregon. (Role: Core Member).
2023. Melissa Moss, *The role of hierarchical structure in cognition*. Psychology Department, College of Arts and Sciences, University of Oregon. (Role: Institutional Representative).
2022. Dae Yong Lee, *Factors that affect generalization of adaptation*. Linguistics Department, College of Arts and Sciences, University of Oregon. (Role: Core Member).
2021. Jonathan Wright, *Factors affecting the incidental formation of novel suprasegmental categories*. Linguistics Department, College of Arts and Sciences, University of Oregon. (Role: Core Member).

2020. Misaki Kato, *Production and perception of native and non-native speech enhancements*. Linguistics Department, College of Arts and Sciences, University of Oregon. (Role: Core Member).
2020. Paul Herstedt, *AT-algebras from zero-dimensional dynamical systems*. Mathematics Department, College of Arts and Sciences, University of Oregon. (Role: Institutional Representative).
2019. Jason McLarty, *Prosodic prominence perception, ethnicity and experience: Naïve perception of African American English and European American English*. Linguistics Department, College of Arts and Sciences, University of Oregon. (Role: Core Member).
2018. Paul Olejarczuk, *Phonotactic Generalizations and the Metrical Parse*. Linguistics Department, College of Arts and Sciences, University of Oregon. (Role: Core Member).
2018. Melissa Marquardt. *The Role of Parenting Sense of Competence in Supporting Child Academic Achievement: Implications for a Strength-Based Parenting Program*. Psychology Department, College of Arts and Sciences, University of Oregon. (Role: Institutional Representative).
2018. Julia Trippe, *Aviation English is Distinct from Conversational English: Evidence from Prosodic Analyses and Listening Performance*. Linguistics Department, College of Arts and Sciences, University of Oregon. (Role: Core Member).
2016. Yulia Gaydina, *Durée Segmentale et Voisement : Impact de la Source Laryngée*. Aix-Marseille Université (AMU) - Laboratoire Parole et Langage (LPL). (Role: Membre du jury).
2016. Guillaume Barbier, *Contrôle de la Production de la Parole chez l'Enfant de 4 Ans : l'Anticipation comme Indice de Maturité Motrice*. GIPSA-Lab, Grenoble INP. (Role: Rapporteur).
2015. Danielle Barth, *Reduction in Adult, Child and Child-Directed Speech*. Linguistics Department, College of Arts and Sciences, University of Oregon. (Role: Core Member).
2011. Grace Oh, *The Effect of Age of Acquisition and Second-Language Experience on Prosody and Segments: A Cross-Sectional Study of Korean Bilinguals' English and Korean Production*. Linguistics Department, College of Arts and Sciences, University of Oregon. (Role: Core Member).
2011. Irina Shport, *Cross-Linguistic Perception and Learning of Japanese Lexical Prosody by English Listeners*. Linguistics Department, College of Arts and Sciences, University of Oregon. (Role: Core Member).
2009. Kyoung-ho Kang, *The Effect of Clear and Casual Speaking Styles on the Production and Perception of the Korean Stop Contrast*. Linguistics Department, College of Arts and Sciences, University of Oregon. (Role: Core Member).
2006. Lee Waters, *The Effect of Socializing with Hard-of-Hearing Peers on the Self-Advocacy of Hard-of-Hearing School-Aged Children*. Educational Methodology, Policy, and Leadership

Department, College of Education, University of Oregon. (Role: Institutional Representative).

M.A. theses

2009. Jennifer Piotrowski, *Information Structure of Clefts in Spoken English*. University of Oregon. (Role: co-Advisor with Prof. Doris Payne).
2007. Lewis Notestine, *Implicit and Explicit Morphological Processing Strategies in English*. University of Oregon. (Role: Principal Advisor).
2005. Modesta Minthorn, *Sonority and the Umatilla Syllable*. University of Oregon. (Role: Principal Advisor).

Undergraduate honor's theses

- In progress. Jay Taylor, *Effect of neurotype identity of conversational partners on communicative success and speaking style*. University of Oregon. (Role: Principal Advisor)
2020. Carissa Diantoro, *Investigating the effect of second language learning on third language rhythm acquisition*. University of Oregon. (Role: Principal Advisor)
2014. Nina Rinaldi, *Perception and production of geminate consonants by English speakers and Kuwaiti Arabic speakers*. University of Oregon. (Role: Principal Advisor).

Other Research Mentoring

Cognitive Linguistics Workgroup

Convenor/IoR (LING 608) – Winter & Spring, 2023; Fall, 2024.

Faculty supervisor of undergraduate research

- Siri Chotechuang – Center for Undergraduate Research Experience (CURE) award, 2022.
- Mallory Dawson – Summer Program for Undergraduate Research (SPUR) award, 2014.
- James Taylor – Hui Undergraduate Research Scholar (HURS) award, 2023–24.
- James Taylor – Undergraduate Research Opportunity Program (UROP) mini-grant, 2023–24.

Post-doctoral trainees

- Phil J. Howson, Ph.D. *Current position*: Senior Researcher in Laboratory Phonology, Leibniz-Zentrum Allgemeine Sprachwissenschaft.
- Irina Shport, Ph.D. *Current position*: Associate Professor of English, Louisiana State University.

Graduate research assistants (not including PhD thesis advisees)

- Siri Chotechuang, M.S. in Speech-Language Pathology, University of Oregon.
- Maya Davis, M.S. in Mathematics, University of Oregon.

Zahra Foroughifar, Ph.D. in Linguistics, University of Oregon.

Erin Maloney, M.A. in Linguistics, University of Oregon.

Paul Olejarczuk, Ph.D. in Linguistics, University of Oregon.

Ilsa Trummer, M.A. in Language Teaching Studies, University of Oregon.

Post-bac research assistants

Julia Conway, B.A. in Linguistics, University of Oregon.

Carissa Diantoro, B.A. in Linguistics, University of Oregon.

Faire Holliday, B.A. in Linguistics, University of Oregon.

Mya Lansing, B.A. in Linguistics, University of Oregon.

Jaidan McLean, B.A. in Linguistics, University of Oregon.

Jayme Monroe, B.A. in Linguistics, University of Oregon.

Khalid O'Donnell, B.A. in Linguistics, University of Oregon.

Undergraduate research assistants

Liza Anderson (2018); Ira Ashwood (2018–19); David Bebee (2012–14); Jennifer Bennett (2017); Ella Bruckner (2022–present); Hailey Bullard (2021–22); Sarah Burlingame (2009–10); Nicole Coronado (2022–present); Aubrienne Carson (2010–13); Siri Chotechuang (2021–present); Julia Conway (2014–16); Mallory Dawson (2014–15); Carissa Diantoro (2018–20); Bess Frerich (2023–present); Lily Gilmore (2021–22); Matan Goldman (2023–present); Faire Holliday (2011–12); Mya Lansing (2018–20); Henry Lin (2021–22); Megan Littlejohn (2010–11); Ella MacIsaac (2023–present); Siobhan McCarthy (2017–18); Melanie McGuire (2013–14); Kailea Messenger (2019–21); Quinn Mitchell (2018–19); Jayme Monroe (2009–10); Mary-Kate Moroney (2013–14); Ashton Newton (2018); Alison Oriba (2017–18); Ryan Perkins (2010–12); Nina Rinaldi, 2010–12; Ally Shaw (2018); Julisa Silva Ramirez (2021–22); Joy Steele (2013–14); Jessica Stine (2011–13); Jay Taylor (2021–present).

SERVICE

To the Field

Scientific Review

Conferences

Proceeding papers:

- 37th Annual Conference on African Linguistics (ACAL 2006)
- 2008 IEEE World Congress on Computational Intelligence (WCCI 2008)

- International Speech Communication Association Conference: *InterSpeech* 13, 2012; *InterSpeech* 14, 2013; *InterSpeech* 17, 2016; *InterSpeech* 18, 2017; *InterSpeech* 22, 2021; *InterSpeech* 23, 2022.
- Speech Prosody: *Speech Prosody* 8, 2016; *Speech Prosody* 9, 2018; *Speech Prosody* 10, 2022.

Abstracts:

- 46th Annual Conference on African Linguistics (ACAL 2015)
- Conference on Laboratory Phonology: *Lab Phon* 12, 2010; *Lab Phon* 13, 2012; *LabPhon* 14, 2014; *LabPhon* 15, 2016; *LabPhon* 17, 2020; *LabPhon* 19, 2024.
- Conference of Experimental and Theoretical Approaches to Prosody: *ETAP* 3, 2015; *ETAP* 4, 2018.
- International Seminar on Speech Production: *ISSP* 2014; *ISSP* 2020; *ISSP* 2024.

Grants

External:

- Division of Behavioral & Cognitive Sciences, National Science Foundation (NSF)
- Economics and Behavioural Sciences Panel, Royal Society of New Zealand
- French Institutes for Advanced Study Fellowship Programme. FIAS-FP
- Natural Sciences and Engineering Research Council of Canada (NSERC)
- Leverhulme Trust, United Kingdom; Vici Social Sciences and Humanities, Dutch Research Council, Netherlands.

Panelist:

- National Institutes of Health (NIH), Center for Scientific Review (CSR); Language and Communication (LCOM) study section
 - Ad hoc member, Oct. 2017 meeting
 - Charter member, 2018–21 (3 meetings per year)
- NIH, National Institute on Deafness and Other Communication Disorders (NIDCD); Extramural Activities: Voice, Speech, and Language Fellowship Review
 - June 2023 meeting
- NIH, NIDCD; Special Emphasis Panel: Voice, Speech, and Language Research Opportunities for New Investigators to Promote Workforce Diversity
 - June 2023 meeting

Manuscripts

Journal ms. (~ 5 to 10 per year):

Adaptive Behavior; Applied Psycholinguistics; British Journal of Psychology; Cognition; Cognitive Science; Glossa: A Journal of General Linguistics; Journal of the Acoustical Society of America; Journal of Child Language; Journal of Communication Disorders; Journal of English Linguistics; Journal of Experimental Psychology: Learning, Memory, and Cognition; Journal of the International Phonetic Association; Journal of Machine Learning; Journal of

Memory and Language; Journal of Phonetics; Journal of Speech, Language and Hearing Research; Language Learning; Language Learning and Development; Laboratory Phonology; Languages; Language and Speech; Lingua; Open Linguistics; Phonology; PLoS One; Research in Autism Spectrum Disorders; Scientific Reports; Second Language Research; Speech Communication.

Proposals (book)

Cambridge University Press

Other Service

Editorial:

- Editorial Board Member/Academic Editor (occasional), *Languages*, (2023–present)
- Editorial Board Member, *Korean Journal of Linguistics* (2021–present)
- Guest Associate Editor, *Journal of Speech, Language and Hearing Research*, (2012)
- Review Editor, *Frontiers in Human Neuroscience, Speech and Language*, (2023–present)

External evaluator:

Institutions (in alphabetical order):

Cornell University; Northwestern University; University of British Columbia; University of California, Berkeley; University of California, San Francisco; University of Houston; University of Massachusetts; University of Montreal, Canada; University of Pittsburgh; University of Oxford, Oxford UK.

Review type (in chronological order):

Promotion to Associate w/ tenure (2016); Promotion to Associate w/ tenure (2017); Promotion to full Professor (2020); Banting Fellowship (2021); Appointment as Research Linguist (2021); Promotion to full Professor (2021); Promotion to full Professor (2021); Promotion to full Professor (2022); Change in Series to Associate Professor (2023); Promotion to full Professor (2023)

Professional society:

- Acoustical Society of America
 - o Technical Program Organizing Meeting, Speech Communication (2009; 2023)
 - o Technical Committee Member, Speech Communication (2019–present)
 - o Stetson Scholarship Committee (2020)
 - o Stetson Scholarship Committee, Chair (2021)

Workshops & special sessions:

- “Holistic phonological representations and their use in speech-language production and word learning.” A satellite event of the 15th Conference on Laboratory Phonology, Ithaca, NY. Co-organized with Marilyn Vihman, University of York, (2016)
- “Language production from the bottom-up.” *Cognisud*. BLRI, Aix-Marseille

- Université. Sponsored by Fondation IMéRA, Marseille, France, (2017).
- “Perspectives on long-distance coarticulation.” Special session organized for the 182nd Meeting of the Acoustical Society of America, Denver, CO. Co-organized with Doug Whalen, CUNY and Haskins Laboratory, (2022).

To the University

Department-level service

Academic advising:

- Academic year & summer advising of incoming UG students (2012–16)
- Academic year advising of continuing UG students (2012–16)
- Faculty advisor for GLOSS organized colloquia (2005–09, 2010–12)
- Graduate student orientation (LING 608, Fall 2007)

Administrative:

- Department Head (2018—present)
